

RAHUL R

Laravel Developer | Full Stack Developer

Chennai, Tamil Nadu | +91 9159187311 | rahulajay558@gmail.com | linkedin.com/in/rahul-r-8a1385267 | github.com/Rahul180110

PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with 1.5+ years of experience designing and delivering Laravel, React.js, React Native, PHP, and MySQL applications. Skilled in building and integrating REST APIs, developing responsive web applications, and engineering cross-platform mobile applications. Strong grasp of MVC architecture, OOP principles, and the full SDLC, with a track record of debugging complex issues and shipping client-facing features on schedule.

TECHNICAL SKILLS

Languages & Frameworks: Laravel, PHP, React.js, React Native, JavaScript, HTML, CSS

UI Libraries: Bootstrap, Tailwind CSS

Database: MySQL

Concepts & Tools: REST APIs, MVC Architecture, OOP, Git

PROFESSIONAL EXPERIENCE

Associate Software Engineer — Tender Software Pvt Ltd

February 2026 – Present

- Developed full-stack web applications using Laravel and React.js, delivering responsive, component-based user interfaces for multiple client projects.
- Designed and built RESTful APIs to connect front-end applications with Laravel back-end services, enabling seamless data exchange.
- Engineered and maintained MySQL database schemas and queries to support scalable application performance.
- Built cross-platform mobile applications using React Native, integrating REST APIs for real-time data access.
- Performed debugging, bug fixing, and ongoing application maintenance to improve stability and user experience.
- Collaborated directly with clients and cross-functional teams to gather requirements and deliver features on schedule.

Software Trainee — Tender Software Pvt Ltd

February 2025 – January 2026

- Contributed to ongoing feature development using React.js and Laravel, and supported API integration and testing workflows.

Intern — Software Developer — Tender Software Pvt Ltd

January 2025

- Assisted in developing web components using React.js and PHP, and supported debugging, API integration, and testing workflows during onboarding.

KEY PROJECTS

Trillage | Laravel, React.js, REST APIs

- Built a Laravel-powered backend integrated with a React.js frontend, including end-to-end REST API integration for dynamic data handling.

Snuggle | Laravel

- Developed and maintained a pure Laravel application, implementing new features and ensuring long-term application stability.

React Native Mobile Application | React Native, REST APIs

- Developed mobile UI components and integrated REST APIs to deliver a smooth, responsive cross-platform user experience.

EDUCATION

B.E. Computer Science and Engineering

CGPA: 8.1

A.V.C College of Engineering

CERTIFICATIONS

- NATS Apprenticeship
- Cloud Computing — NPTEL, IIT Kharagpur
- Mapathon Winner — IIT Bombay FOSSEE GIS
- RDBMS Training — IIT Bombay Spoken Tutorial
